

3,500 families come together at
one altar table
but...

with two campuses,
an off-site School of Religion,
insufficient meeting space,
congestive parking,
Youth Ministry in a basement,
confessionals used for storage,...

Do we truly gather Around One Table?

Our future building

Parish Life & Ministry Center

- 12 classrooms
 - social hall
- new youth room
- industrial kitchen
 - music room
 - office space
- improved parking

Around One Table

For the next phase of parish expansion, the committee's mission is to develop a building plan which will:

- address the importance of **faith formation space** for ourselves, our children, and our youth;
- **encourage team building** and **staff collaboration** by moving all support service offices to the Ironbound campus;
- design a facility equipped to **handle over 50 Ministry and Parish Life Groups**; and
- fulfill our parishioners' needs for a building befitting **our status as the largest religious congregation** in Williamsburg

Your responses from *We Walk By Faith* identified five main areas of improvement needed in order to continue to fulfill our church's mission:

Around One Table

Jun-Aug 08 AOT
Committee drafts ministry
& parish life space needs

Sep-Nov 08
Geier Brown Renfrow (GBR)
Architects, LLC is selected

Dec 08 – May 09
AOT & GBR conceptualize the
St. Bede Parish Life & Ministry
Center

Jun 09
Presentation to the
Diocesan Building &
Renovation Commission

Aug 30, 2009
Fr. Abe updates
parishioners in his
Homily

Oct 17 - 18, 2009
PL&MC design is
showcased

Parish Life & Ministry Center Town Hall Meetings

Come, refresh your memory or see for the first time the design for our proposed Parish Life & Ministry Center.
