

11th and 12th Grade

2011-2012

Welcome back to Youth Ministry!

We are very excited continue on our walk with you and your teens. This year's theme is "Built on Christ":

So, as you received Christ Jesus the Lord, walk in him, rooted in him and built upon him and established in the faith as you were taught, abounding in thanksgiving.

- Colossians 2:6-7

This year we are offering a new format to better serve your teens by giving them a personal experience of Faith and helping them find a home in our church. Because of our limited space and large numbers (over 140 teens and volunteers), the program for Post-Confirmation teens will be as follows:

- **Youth Group:** Once a month evening sessions filled with faith, fun and fellowship! Beginning after the 5pm Mass at 6:30pm.
