

This is a great and challenging time for you and your child(ren). It takes all of us working together, sharing our faith with our children and providing opportunities for their spiritual growth. The Middle School Program at St. Bede does this – but **our Youth Ministry Team can't do this alone.**

We have an **active** parent support program where **ALL** parents are asked to help the Middle School program in some way. Special Events are focused on a single activity. Please volunteer for one of the categories below. If you are not sure, check the “**Odds and Ends**” box. Please return this sheet with your registration (see reverse). Someone will call you when school begins to let you know how you can help. On behalf of our children, thank you from the *Middle School Coordinator, Lisa Crowder*
