The mission of Saint Bede Religious Education is to put each of us in communion with Jesus Christ. This is a great and challenging time for you and your child(ren). Working together we share the faith with our children and provide opportunities for their spiritual growth. Saint Bede Religious Education Programs can only run with the active stewardship of our parents. We ALWAYS need help and ALL parents are asked to help in some way. If you have any questions regarding any of the areas, please contact Cass Hooker at 757-603-6989 ext. 2309 or email chooker@bedeva.org. Thank you!
