Supporting Our Youth Ministry (YM)

The PGI supports our youth ministry to include its Mission Trip. This journey helps connect teenagers to God while empowering participants to be part of something that matters. Our teens have the opportunity to attend leadership conferences to help develop self-confidence, self-worth, and positive lifelong characteristics. They participate in building projects to enhance the living conditions for the poor and physically handicapped (e.g., painting, caulking, installing gutters, and building ramps for handicap accessibility). The net proceeds from this golf event support this annual trip and other spiritually formative YM activities
