MEMBER ENGAGEMENT SURVEY

Frequently Asked Questions

What is the purpose of this survey?

The Member Engagement Survey will give us a collective view of the spiritual health of our parish. The data will show us where we are doing well and help us see the areas that need our attention to make us a stronger parish.

What does the survey entail?

The survey features 25 items carefully chosen to measure engagement and spiritual commitment that are essential to spiritual health. The survey will only take approximately five minutes to complete.

Who should complete the survey?

We are asking all parish members aged 18 and older to complete the survey. In addition, any person who considers him or herself part of our parish, regardless of whether he or she is a member, is invited to respond to the survey.

Where do I complete the survey?

You can complete the survey online using the link found on our website or on paper in the parish beginning [date] and ending [date].

What about confidentiality?

Are responses are confidential. We are working with Gallup to conduct this survey. Gallup is a member of the Council of American Survey Research Organizations (CASRO) and, as such, abides by specific rules of conduct that include adherence to strict confidentiality in survey administration and reporting of results. Gallup will not reveal any individual responses to anyone.

How will the survey results be used?

The leadership team will receive the compiled results from Gallup and use them to gain additional insight into how the members feel about our parish. We will use the results to identify specific actions we can take to further meet the spiritual needs of our members.

When do we get to take the survey?

You are invited to take the survey anytime between these dates: September 28, 2018 to October 8, 2o18. Your opinions matter to us.

Thank you, in advance, for your participation in the survey. If you have additional questions, please contact the parish office.
