- Games and food from 2:00-3:30
- Walk to field at 3:30 (kids get to have baseballs signed by the W&M players!)
- Game starts at 4:00
- Moms/Sons can leave whenever they are ready

FAQs:

- If dad or other family members want to come join in the fun, is that ok?
 - The tailgate is for moms and sons: we really want to try and encourage and foster those relationships.
 - The game itself is open to anyone else that would like to join: we do want to encourage family togetherness and a shared memory.
- If another family member is going to join later for the baseball game, how do we get tickets?
 - Since we are a group, we are working with the W&M crew for the tickets. Please let me know how many you would like (via text/call/email) and I'll make sure to order them for you. When you check in at the table for the tailgate, I'll have them for you.
