Title: Parking Ministry

Coordinator/Staff: Art Bornschein or Carl Sabol

Contact Info: 757-564-6396, serve@bedeva.org

Description/Impact: Parking ministers are the first people that our attendees come in contact with as they come on our church property each weekend. This ministry's primary focus is to welcome everyone coming to Mass with a smile and hello as soon as they enter our parking lot. As a parking minister you will help everyone easily find available parking spaces and ensure the safety of our parking area. This is a great ministry if you enjoy being outdoors and helping people have a less stressful Sunday experience.

Time Required: Once or twice a month arrive 30-45 minutes before Mass

Special Skills/Requirements: Friendly and patient personality with ability to work in varied weather conditions.
